**3. Brittany Place Home Owners Association to deed power line easement, north of Lawton St. to the City of Loma Linda**

Public Works Director Thaipejr announced that the Brittany Place Homeowners Association (HOA) has offered to deed the power line easement area, north of Lawton St., to the City. The HOA believed that the area could be improved into a trail to complement the Loma Linda Easement trail, south of Lawton Ave.

It was the consensus of the Committee to accept the deed from the Brittany Place Homeowner's Association. Staff will forward this item to the City Council on August 24, 2004, for their approval.

**4. Discussion of Livable Communities Concept**

Chairman Kurt Swigart discussed his concerns about the Livable Communities concept and how the proposed General Plan will impact the communities and how the mixed-use concept will have an impact on the City.

**Motion by Kurt Swigart to request that the City put the General Plan approval on hold until the Parks, Recreation, and Beautification Committee forms a subcommittee to review the proposed General Plan.**

Discussion ensued. Public Works Director Thaipejr explained that the Park Committee could not put the General Plan process on hold. He explained that the items of discussion are within the purview of the Planning Commission and City Council. Staff will forward the Park Committee's concerns to Mrs. Woldruff, Community Development Director.

**Motion seconded by Valerie Gallant and unanimously carried to approve approved the motion.**

## **5. Discussion – Committee Meeting Schedule**

**Motion by Valerie Gallant, seconded by Janet Razzouk, and unanimously carried to move the Parks, Recreation and Beautification meetings to the 2<sup>nd</sup> Monday of the month at 6:00pm.**

### **F. Adjournment**
